

# We're Taking STEM On the Road

## Complimentary Workshops For Your School

### STEM Education for High School Counselors, Teachers and Students

In support of the nationwide STEM initiative, Universal Technical Institute has developed a series of informative workshops to promote your school's STEM success.

Whether you're a high school counselor or instructor, you'll benefit from a greater understanding of how STEM impacts today's educators and tomorrow's careers.

#### COUNSELOR WORKSHOPS

Find out how to positively impact STEM education.

#### TEACHER WORKSHOPS

Learn how to turn your classroom into a STEM lab.

#### STUDENT WORKSHOPS

Understand real-world applications of STEM in today's careers.

*The information we received from your STEM Educators Workshop has proved to be invaluable as a resource for our school. You opened the door to endless possibilities for our program, school and, most important, our students.*
