

DIESEL TRAINING

TRAIN BIG TO GET SKILLS THE INDUSTRY DEMANDS

The Diesel Technology program at Universal Technical Institute (UTI) will teach you the skills needed to help launch a career.¹ Through our blended learning education model that includes online and hands-on training in our state-of-the-industry facilities, you'll learn how to service and repair class 3-8 diesel trucks in this program accredited by the ASE Education Foundation.² And, our industry relationships ensure you'll learn the skills manufacturers say matter most, using current technology and equipment.

WHAT YOU'LL LEARN

- Diesel Engines Service & Repair
- Diesel Truck Power Trains
- Diesel Truck Brake Systems & Chassis
- Diesel Truck Steering & Suspension Systems
- Diesel Hydraulic Systems
- Automotive Climate Control Systems & Repair
- Vehicle Electronic Systems & Technology
- Diesel Truck Transport Refrigeration
- Diesel Preventive Maintenance

24,000+

DIESEL TECH JOB OPENINGS BY 2029⁵

To learn more, visit [UTI.edu/Diesel](https://www.uti.edu/Diesel)

¹UTI is an educational institution and cannot guarantee employment or salary. ²Not all programs are accredited by the ASE Education Foundation. ³Students who are near graduation, have no outstanding obligations to the school, and have not previously taken part in a tool voucher program on any UTI/MMI/NASCAR Tech affiliated campus may be eligible to participate in the UTI Tool Voucher Program. ⁴See program details for eligibility requirements and conditions that may apply. ⁵The U.S. Bureau of Labor Statistics projects an annual average of 24,500 job openings for Bus and Truck Mechanics and Diesel Engine Specialists between 2019 and 2029. Job openings include openings due to net employment changes and net replacements. See Table 1.10 Occupational separations and openings, projected 2019–29, U.S. Bureau of Labor Statistics, www.bls.gov, viewed June 3, 2021. For program outcome information and other disclosures, visit www.uti.edu/disclosures.

WHAT'S IN IT FOR YOU:

- + A focus on career-specific skills so you can graduate quickly with the skills needed for a career doing what you love
- + An opportunity to be prepared to complete ASE exams and substitute your UTI training for one of the two years of work experience required to become ASE certified
- + Snap-on[®] tool voucher upon graduation³
- + Our Manufacturer-Specific Advanced Training programs provide additional opportunities to specialize.⁴

We know UTI graduates come to work ready, well-prepared and a step ahead.
