TOTAL OVERALL PERFORMANCE			158	104	66%	100	85	85%

This data is based on a reporting date of July 1, 2017. We annually report this information to ACCSC in the October following the reporting date.

The reporting periods for the programs are based on allowing students entering the program 150% of the total program length to complete plus three months additional time to find employment.
