

# Are You Ready to Take the Next Step?

You should complete these steps so you are ready to successfully start your technician training program:

- STEP 1** Interview with UTI Military Admissions Representative
- STEP 2** Confirm your program and campus choice
- STEP 3** Submit copy of your DD-214 (honorable discharge documents) to qualify for Salute to Service Scholarship (10% military discount)<sup>1</sup>
- STEP 4** Complete COE request to initiate your VA funding process<sup>2</sup>
- STEP 5** Submit copy of your high school diploma or GED<sup>3</sup>

Do you have questions about what you need to begin your training as a technician? We have Admissions Representatives who are well-versed in the needs of our Veteran students.

**Contact your UTI Admissions Representative today at 1-800-834-7308.**

<sup>1</sup>The Avondale campus has a Yellow Ribbon Program that a Veteran student can choose to use rather than applying the 10% discount. <sup>2</sup>VA benefits may not be available at all campus locations. <sup>3</sup>Tennessee residents attending the Orlando, Houston or NASCAR Tech campus must provide copies of their high school transcripts or GED scores. For information about our graduation rates, the median debt of students who completed the program and other important information, visit our website at [www.uti.edu/disclosure](http://www.uti.edu/disclosure).
