OUR MISSION

Since 1965, Universal Technical Institute (UTI) has prepared students for careers in the automotive, diesel, motorcycle, marine and collision repair industries. As a leader in technician training, UTI maintains long-established relationships with manufacturers of over 30 of the world’s top brands, offering hands-on coursework taught by expert instructors in state-of-the-industry facilities.

At UTI, service members can leverage their military skills as they train for rewarding civilian careers that are vital to the nation’s economy. They can graduate with valuable certifications from UTI’s manufacturer programs, relate to instructors and students who are former military, enjoy jobs that can’t be outsourced, and follow career paths based on their opportunities and interests.

EMPLOYMENT

4 out of 5 UTI graduates find employment in their fields of study.*

JOB GROWTH

Over 350,000 more techs will be needed between 2012 and 2022.**

“Due to a double-digit increase in vehicle sales, Nissan and Infiniti dealers must recruit and attract new trained service technicians. UTI’s Nissan Automotive Technician Training (NATT) program is critical to filling our dealers’ hiring needs.”

John Spoon
Vice President, Aftersales Division
Nissan North America

“UTI has strong connections with manufacturers like BMW. Their training is completely up-to-date and I learned what I needed for my career.”

Kyle Plautz
Luxury Auto Mall of Sioux Falls
Former U.S. Marine
UTI BMW Graduate

“It made me feel good that my Admissions Representative was a military Veteran himself. Starting with when we met during my SEPS & TAPS program, I felt he had my best interest in mind at all times. I love the NASCAR campus as well as the staff. Many of them were military Veterans and we had a lot in common.”

Duane Hopp III
Former U.S. Marine – OEF Veteran
NASCAR Tech Graduate

*Approximately 11,400 of the 12,200 UTI graduates in 2012 were available for employment.
